FALL 1946 OLLA

PODRIDA

Some wise old philosopher has stated, "The man who wakes up and finds himself famous has not been asleep." Isn't this a truthful statement when one ponders the full significance of the thought?

Young people look at the football hero and think how wonderful it would be to follow in his footsteps. The same thought is held in regard to great singers, great actors, and great musicians. In order to be good—to be the best in any field of endeavor—one must start when one is young, and must devote hours and hours of practice toward the perfection of individual skills and attainments.

This is the reason why we encourage our 10th graders to participate in all forms of student activities. If you want to make a real contribution to the school when you become a 12th grader begin now to perfect and practice your individual skills. Naturally many pitfalls and disappointments will come your way, but perseverance and "stick-to-it-iveness" have made many great men. The cost of success is no greater than the cost of failure. It is just a question of how much you choose to give and when you choose to give it. Start today: tomorrow is only twenty-four hours away.

ELWIN LETENDRE
Principal

PRINCIPAL'S MESSAGE

This year, in spite of the increased costs of printing and engraving, we of the Pod staff have tried to give to you, the students of Berkeley High School, something new in the content and construction of your yearbook.

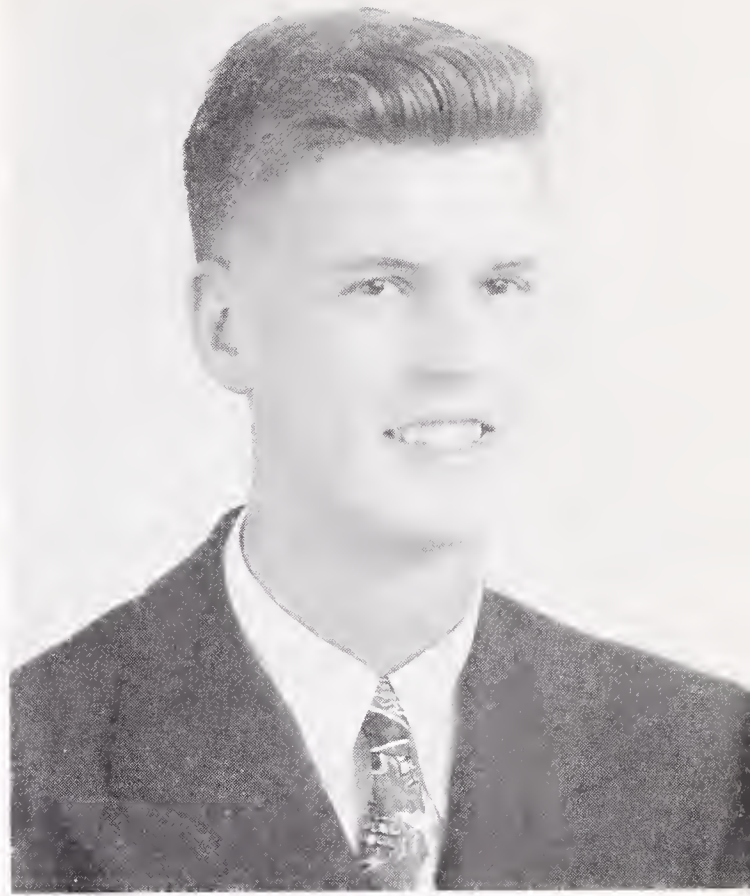

For a while it looked as if there would be no Pod this year because of the lack of funds. But a few generous seniors gave their efforts and time to make this issue of the Olla Podrilla one of the finest yet. (I think we owe a token of gratitude to these students.) To solicit ads was the only means of raising the required money. Fifteen seniors went to work and in three weeks raised over seven hundred dollars, enough to produce this better than pre-war Pod. The plastic binding, better picture arrangements, the new type of section pages, more candid and senior cartoons are only a few of the improvements which we have made over past years.

As you turn back the pages of this, the record of your activities and achievements, try to recall if you can, the events of this term. The dances, football games, rallies, the slope, and your class activities are only a small part of what we have tried to capture within these pages. There are many spiritual memories which can never be put into print. Our ever present spirit, enthusiasm, and energy have been shown in everything which has been accomplished this term.

Behind the glory and satisfaction of producing a book such as this, lies a great deal of hard work and effort without which it would be impossible to give such a production. Therefore we of the Pod staff wish to thank Mrs. Sidney Wales, our faculty advisor, and the backbone of our staff, for the great deal of assistance rendered us.

TOM MOULIN,
Editor-in-Chief

FOREWORD

100% POD SALES HOMEROOM

Mr. Day and members of his homeroom are to be commended on becoming the first homeroom to be 100% in Pod Sales. The Pod promised recognition to that homeroom and recognition is what they deserve. For helping to make a better Pod in the Fall of '46, and proving to be members of the homeroom with the most school support and spirit, the Pod staff justly gives thanks.

PRESIDENT'S MESSAGE

The end of the fall term of 1946 leaves all of us with many happy and enjoyable memories—memories of football games, The Varieties, assemblies, dances, rallies, and many others. Without a doubt, the past term has been a real success, because you, the students, got behind your school and supported your Board of Control in every respect. Because of this fact, and because of the money that was taken in on the sale of student body cards, and at the football games, your Board of Control was able to give to you more assemblies than ever before.

Of course, when we talk about fall activities, we cannot forget our football team. The B.H.S. varsity made a wonderful showing in every game, and ended the season with the near perfect record of 6 wins and 2 ties. This fine record was in part due to the fine support you students gave to your team by showing up at every game and proving to the boys on the field that you were behind them 100%.

Yes, the fall term of 1946 has been a success, and on behalf of the B.O.C. and myself I'd like to thank you for the support you have given us. In closing I'd like to say that it has been a real honor and a sincere pleasure serving you as your president during the past term, and I wish every one of you the very best of luck in the future.

So long,

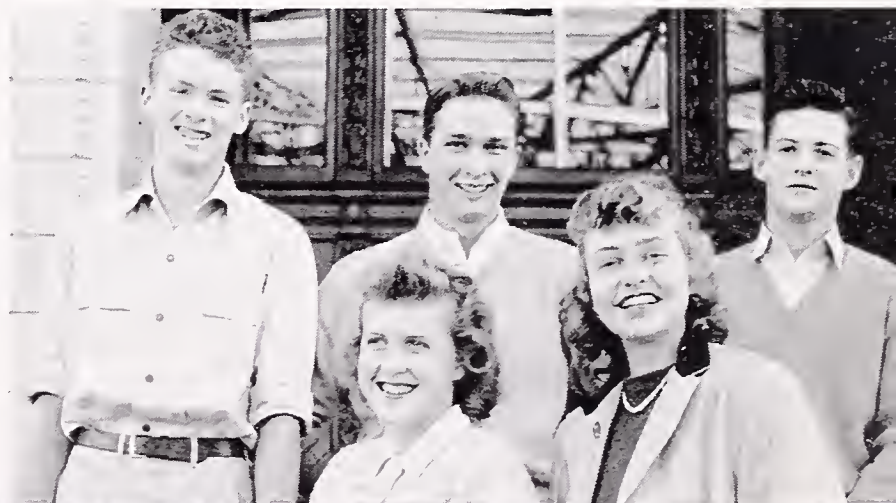

DAVE IVENTOSCH

THOSE
SKIRTS

All the girls in Berkeley High are a little extra special—because each one of them is a member of the Girls' Association, and each one is represented by one member of her home room who helps to make the decisions and plans for the G.A. activities.

The first few weeks of school found the Senior Friends, under the able leadership of Mary Lou Carlson, busily getting acquainted with newcomers to make them feel more at home. This was followed by the Freshmen Reception held for all the new girls at Berkeley High. Besides enjoying the entertainment and refreshments the girls had a chance to know their new classmates a little better. Another important day in this term's G.A. history came with a fashion show assembly. November 15, 9 p.m. found the social hall packed to capacity with "beauties" who had caught their "beasts" and brought them to the G.A. "Beauty and the Beast Dance." An unforgettable

night for many a teacher was December 5, better known as F.D. (Faculty Doom) Day. That night all the girls who came to the G.A. dinner watched their teachers squirm as victims of a "Truth or You'll Be Sorry Show." Our last assembly was the Senior Farewell, highlighted by the very best of entertainment.

Now I'd like to say thanks loads to every one of you girls for it was your help, ideas and friendliness that has made these activities possible. Double thanks go to my fellow officers, Mona McQueen, Marilyn Reid, Shirley Humphrey, Liz Parrish, Mary Lou Carlson and Carol Colbie, for working so hard and being so nice besides. My sincerest gratitude to Miss Kinell, without whose help and guidance the G.A., I am sure, couldn't survive. It has been wonderful being your president, gals, and I hope I will always be—

Your friend,

LORA HEIMS

ORGANIZATIONS

HONOR SOCIETY

CATHY LYMAN
President

The purpose of the Honor Society is to encourage scholarship, school activities, and service. Too many students underemphasize the importance of scholastic achievement. In future years, the students who have worked to maintain high grades, will find that they have a firm foundation upon which to build intelligent and cultured lives. To achieve full satisfaction from high school years, there should be something else besides scholarship. A student should see that he participates in the activities of the school, in athletics, drama, music, or in leadership. The Honor Society is proud of the fact that many of its members have been very active in school affairs. Eight members of the Board of Control belong to the Honor Society. Representatives of the Honor Society can be found among the Senior Friends, the Rally Committee, Jacket and Pod staffs, class councils, and many other clubs and organizations at BHS. Honor Society activities include many services to the school, such as coaching students and helping on the Election Boards.

In the future, as in the past, the Honor Society will carry on its activities in the fields of scholarship and service.

CATHY LYMAN,
Honor Society President

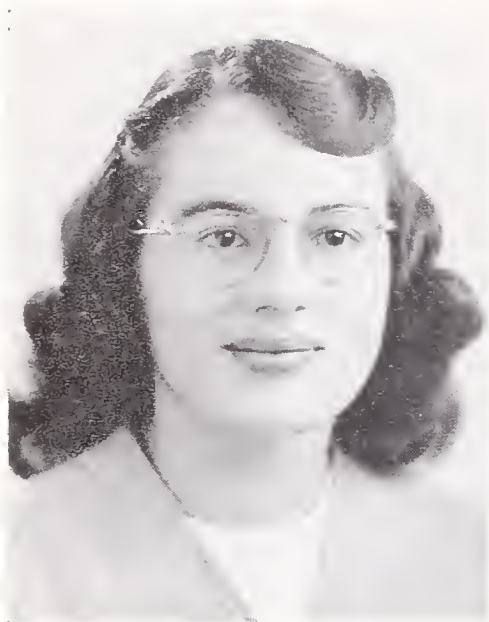

FIRST TERM MEMBERS

SECOND TERM MEMBERS

THIRD AND FOURTH TERM MEMBERS

GENE BERNARDI
President

C. S. F.

The California Scholarship Federation at Berkeley High is combined with the Honor Society to form a joint organization. Although the C.S.F. has higher scholastic standards than the Honor Society its members are represented in many extra-curricular activities. An outstanding example of this is shown by the fact that this term our B.H.S. President, Secretary, Treasurer, G.A. President and Senior Friends Chairman are not only members of the C.S.F., but C.S.F. Sealbearers as well.

The collection of C.S.F. dues brought a 100% response from the members. These dues will go toward the Seymour Memorial Scholarships, two awards in honor of Mr. Seymour who founded the California Scholarship Federation. They are given to the most outstanding boy and girl student in California.

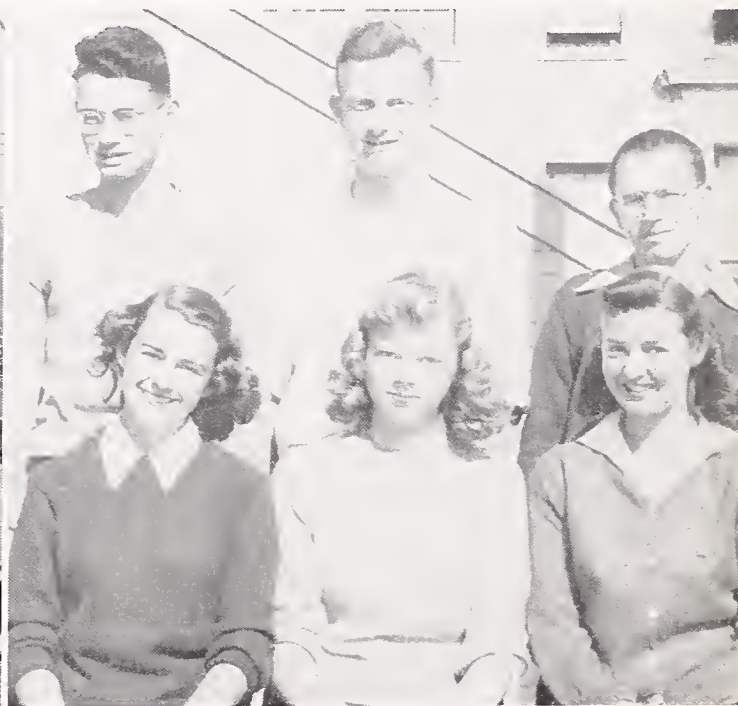

Those deserving special mention are Bob Runser, C.S.F. Vice President, and Hal Nachtrieb, Secretary-Treasurer, who have done a swell job; and last but not least Miss Jones who has been a very wonderful and helpful sponsor.

For the first time special cards granting extra privileges were given to the seven 5-term Sealbearers at the C.S.F. L-10 Reception. With eighty L-10 Honor Students being encouraged by this Reception we all hope to see the C.S.F. grow in both size and importance next term at Berkeley High.

SEAL BEARERS

Mary Lou Carlson, Jane Texdahl, Catherine Lyman, Mary Macauly, Winifred Ainsworth, Lora Heims, Gene Bernardi, Mary Giachetto, Ruth Tast, Peter Buzanski, Alan Appleford, Baird Whaley, Dave Iventosch, Eugene Hammel, Riece Clark.

Society Old Meeting

DEBATE TEAM

Every semester, the Forum sponsors the Inter-scholastic Debate team. Membership on the

team is not limited only to members of the Forum.

This term Berkeley accepted the challenge by Oakland High to debate on the question: "Resolved that the Federal Government should provide a system of medical care that would be available to all citizens." Because the Forum believes that the purpose of a debate is to train the mind to seek the truth, there were no decisions made on the two outstanding debates.

Janet Taylor, Frank Gaona, Joel Gordon, Irene Sawyer.

FORUM

Once again Berkeley High's oldest organization, the Forum, has distinguished itself by its forensic activities. Its weekly debates have given to its fifty-eight members invaluable experience in the field argumentation and public speaking. This term's discussions of current and controversial issues can be credited to the sponsorship of Miss Coffin, the guidance of President Leon Rimov, the assistance of Vice President Andy Mirov, Charles Cockrane who presided as Commissioner of Programs, and Secretary Irene Sawyer.

The membership, which is determined on a competitive

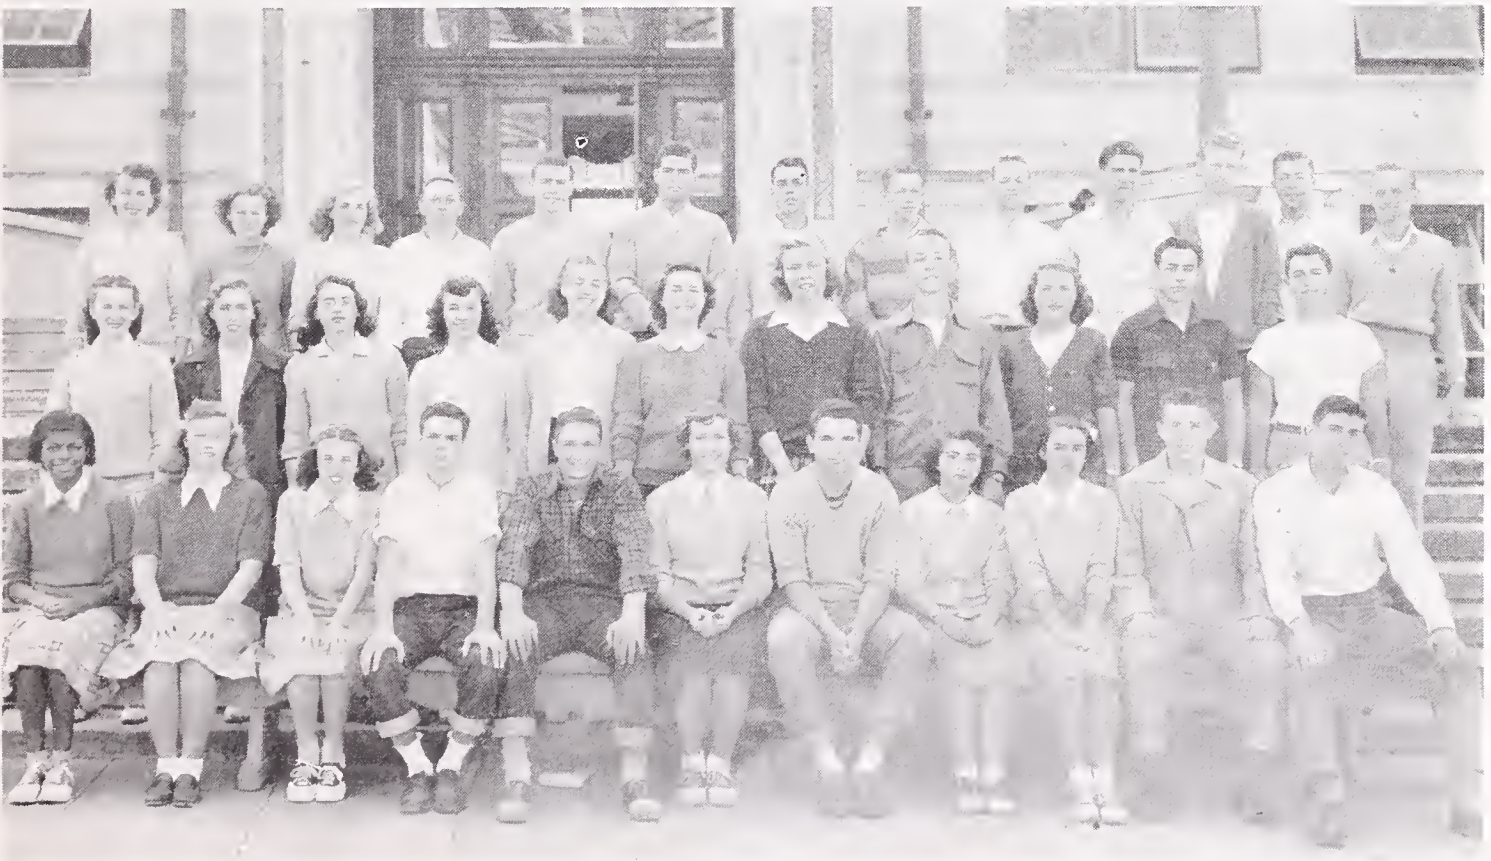

basis, is granted only to those who have an outstanding scholastic record in English, and who prove to be competent speakers.

This term the Forum confined its radio activities to producing several broadcasts through the facilities of KQW and the Columbia Broadcasting System.

Each term the Forum is privileged to sponsor the Inter-scholastic Debates between Oakland High and Berkeley High.

LEON RIMOV, President

SPEAKERS BUREAU

The Speakers' Bureau is a group of boys and girls selected from those students who have or are taking Public Speaking. These students are on call to make speeches for school, service clubs, churches, and other organizations.

This term the Speaker's Bureau had for its biggest project the Community Chest Campaign.

Student speakers assisted the City of Berkeley by appearing before the different organizations in Berkeley.

In addition to its usual quota of outside speeches the Speakers Bureau assisted the Berkeley High School Parent-Teachers Association in putting over its annual membership drive by sending speakers to the eighty-three home rooms.

BIBLE LEAGUE

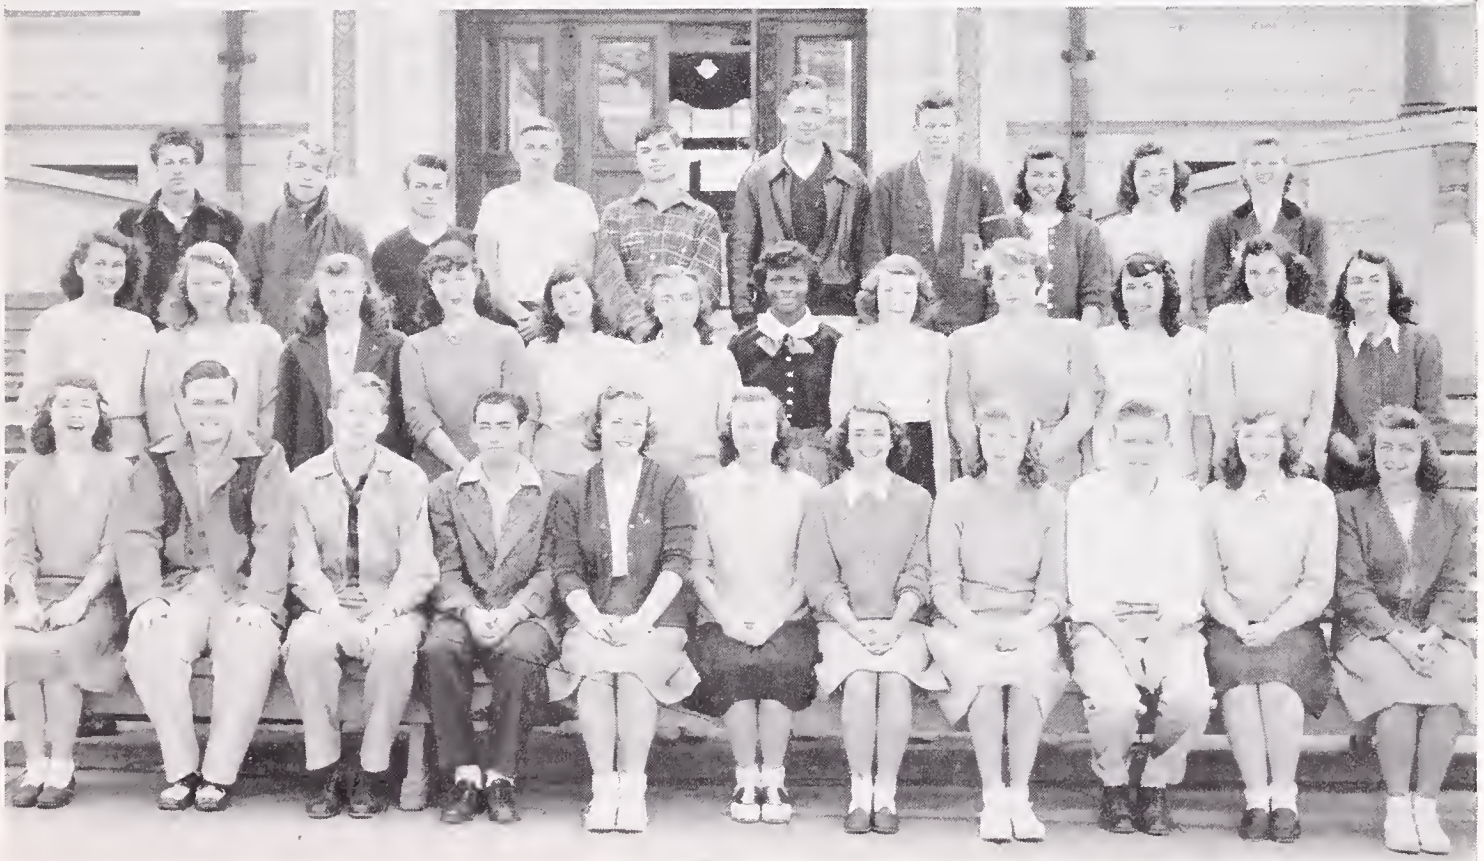

STAGE CREW

ELECTRICAL CREW

PRO MUSICA

Any one in Berkeley High can join Pro Musica if he has some musical talent. This term we have a membership of one hundred twenty-five. When the club first started it was for pianists only, but now it is enlarged to take in any type of musical entertainment and has become the largest club in the school. It includes vocalists, instrumentalists, and various other types of entertainment.

Pro Musica has given noon time shows to earn

money for the Red Cross, Community Chest, Pod Sales and many other worthy causes this term. Pro Musica gave an assembly for the school which was well received by the student body.

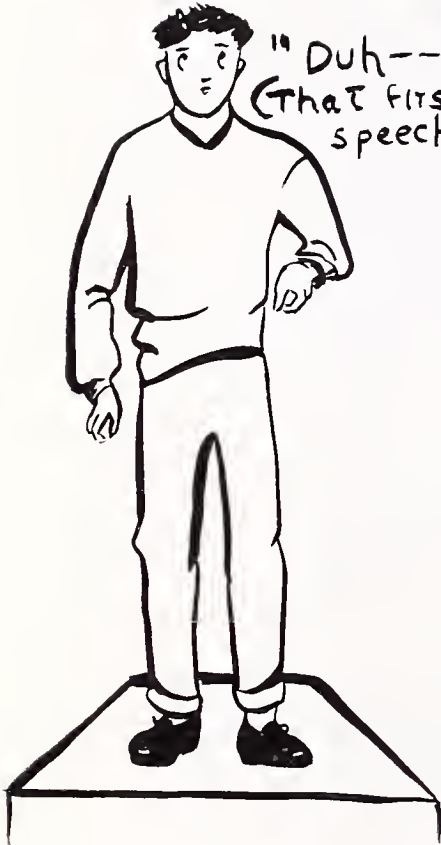

This term's officers are: Shirley Betts, President; Mary Lou Carlson, Vice President; Cecily Taylor, Secretary; Jim Cowen, Treasurer; Cathy Lyman, Program Chairman; Assistants: Bruce Steel and Win Ainsworth; Ronald Frankis and Arthur Griffith, Publicity.

BERKELEY-0—PIEDMONT-0

With one league game under its belt a strong Yellow Jacket team fought to a 0-0 tie in the "Big Game" with Piedmont on the Highlander field.

Berkeley was out to win, not only because they wanted to beat Piedmont for the fourth successive time but because the outcome of the game was important for first place in the A.C.A.L. As it turned out, it was a battle to a scoreless tie between a fleet Piedmont backfield and a powerful Berkeley line.

The first five minutes of the game found Piedmont's threat to score stopped on the Berkeley 8 yard line when Dick Miller recovered a Highlander fumble.

In the second period, after a 61 yard drive spear-headed by line smashing Carl Qunto, Berkeley lost the ball on downs, failing to score from inside the Piedmont 20 yard stripe.

In the beginning of the second half a Piedmont attempted field goal fell short, and later in the third period John Miles recovered a Piedmont fumble on the Scots' 41 yard line. On the next play Bruno Andrina made a spectacular catch on a pass from Bill Lawton, bringing the ball down to

the Highlander 27 yard line. Four plays later the Scots recovered a Berkeley fumble as the Jackets drove to the Piedmont 15.

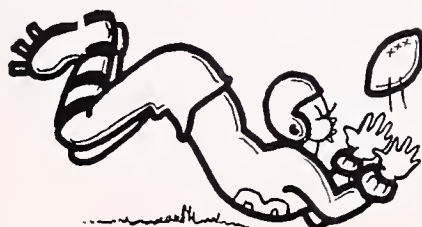

In the final period both teams made little progress, and the game ended a scoreless tie.

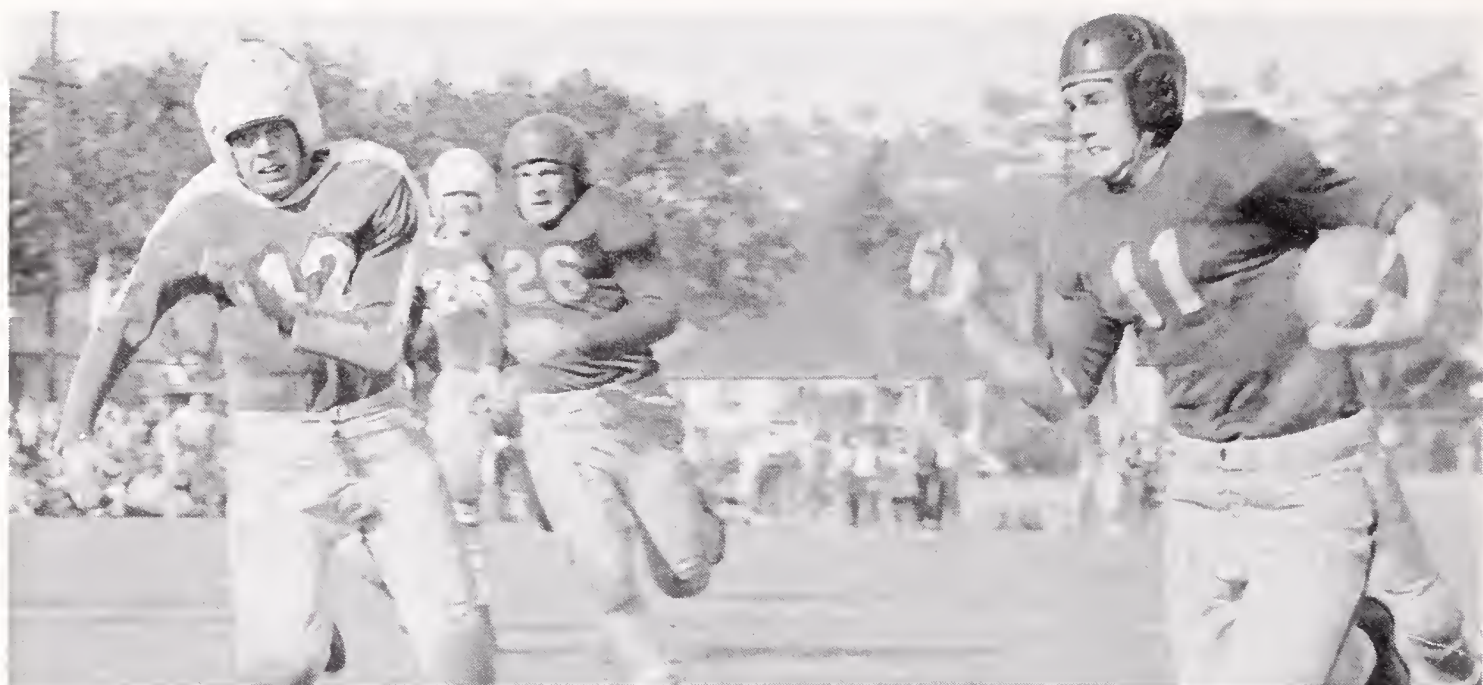

A. C. A. L. STANDINGS

	W.	L.	T.	Pts.	Opp. pts.
Piedmont	5	0	1	155	24

BERKELEY 13—EL CERRITO 0

Taking the opening kick-off a powerful Berkeley team marched sixty yards in nine plays to score the first of their two touchdowns in the 13-0 battle with El Cerrito at Garfield. The long drive was climaxed by a sprint around left end by speedy John Fleming on a reverse from the Gauchos' 13 yard line. Bruno Andrina made the conversion.

The Jackets' second touchdown came in the third quarter when El Cerrito was forced to kick out of their hole. A series of runs and passes spark-plugged by John Dalton carried the ball from the El Cerrito 31 to their one-foot line where Andrina hit the line for six points.

Hampered by fumbles and intercepted passes, El Cerrito was unable to score, although they piled up more yardage than the Berkeley eleven.

BERKELEY 18—HAYWARD 12

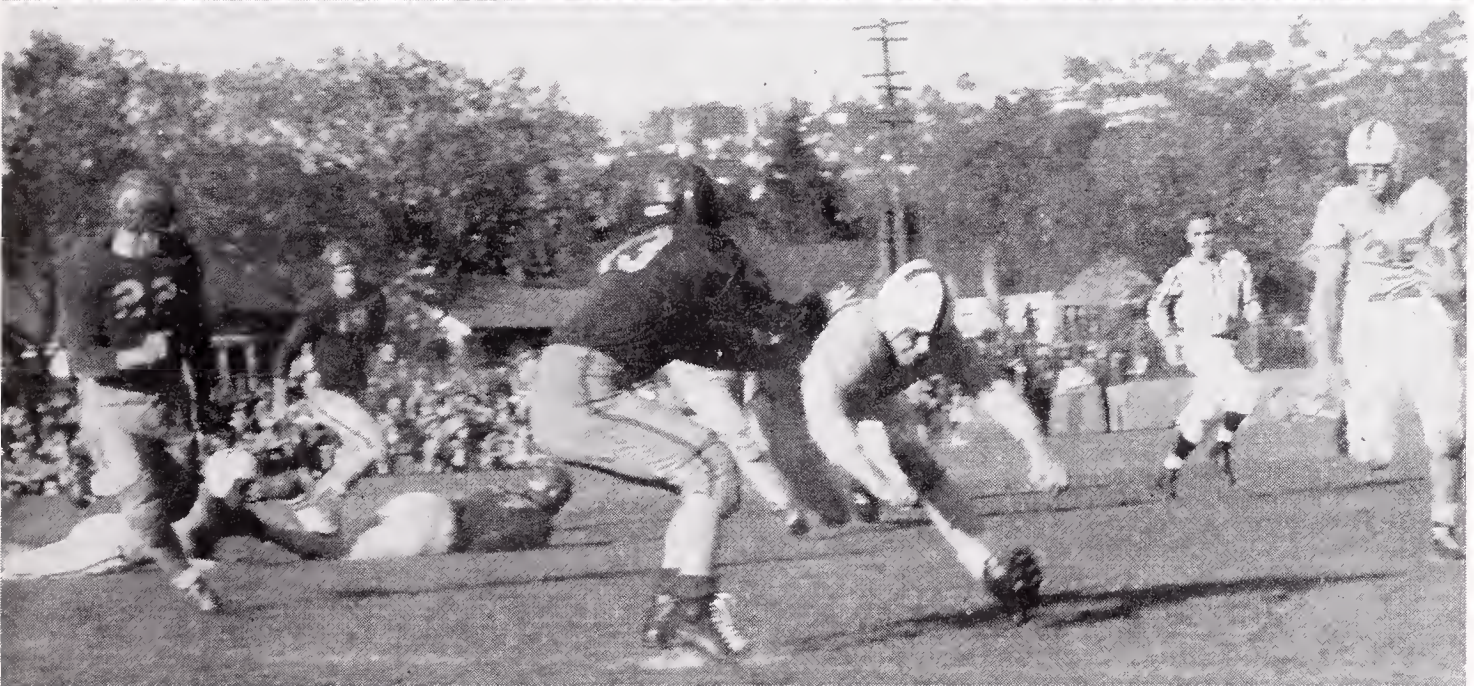

Scoring with one-half minute remaining in the game, Berkeley edged out the Hayward Farmers 18-12 at Garfield in the most exciting game of the season.

Hayward scored first in the opening period when Don Vargas romped 36 yards for six points. In the second quarter, Vargas, in punt formation, picked up a fumble and sprinted 76 yards to score again.

Later in the period, Berkeley retaliated when Bill Lawton passed from the Farmers' 27 yard line to Don Strong on the goal line.

In the third quarter three Berkeley drives failed to pay off, but in the final period the combined efforts of Bill Phillips, Glen Waaland, and Bruno Andrina placed the ball on the Hayward 5 yard line, and Lawton drove around right end from that point to score.

The climax came in the last seconds of the game when Ray Hansen caught a 25 yard pass from Carl Quento for the winning score.

BERKELEY 13—RICHMOND 6

A hard hitting Berkeley line plus brilliant offensive playing by Glen Waaland and George McDonnell enabled the Yellow Jackets to down Richmond 13-6 on the Oilers' home field.

Berkeley's offense got under way when John Miles recovered a Richmond fumble on the opening kick-off, and six plays later Glen Waaland skirted right end for twelve yards and six points. Jerry Geernaert set up the seventh.

Taking the kick-off in the second half Berkeley scored again in the four plays. The touchdown, made from the Richmond two yard line by Eddie Leneve driving through the line, was made possible by a beautiful pass play from Waaland to McDonnell. Making a difficult catch in mid-field, McDonnell raced for pay dirt and was finally brought down on the Richmond four yard line.

Richmond made their only score in the fourth quarter when they plunged over from the Berkeley four.

BERKELEY 13—ALAMEDA 13

Berkeley's undefeated gridmen were held to a 13-13 tie by Alameda in a crucial game on the Garfield turf, thus causing the Yellow Jackets to yield their top place in the A.C.A.L. to Piedmont.

Confronted by a tough Alameda eleven the Yellow Jackets made their first score when a 72 yard drive was climaxed by a 34 yard touchdown pass from John Dalton to Don Strong in the second quarter.

A second touchdown drive in the third period was powered by hard hitting Bruno Andrina who went over the goal on a buck from the Hornets' one-yard line. Jerry Geernaert converted for the thirteenth point.

Alameda tied up the score in the fourth quarter, when they scored first on a line drive from the Berkeley one-yard stripe and the second from the Jackets' two. The Hornets made the thirteenth point on a pass following a faked place kick.

BERKELEY 27—ALBANY 7

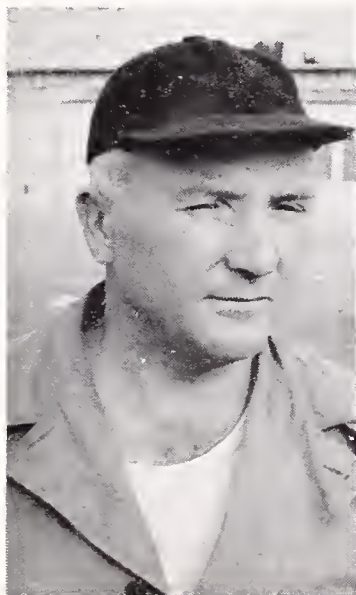

A heavily favored Berkeley eleven downed Albany 27-7 in the last game of the season at Garfield. Sixty-two gridmen saw action against the Cougars, including many of the J.V.'s.

The end of the first quarter saw Berkeley with two touchdowns. The first was a 14 yard sweep around left end by Harvey Mazmanian. Jerry Geernaert made the conversion. Bruno Andrina made the second by powering over from the Albany four-yard line. A line buck by Andrina scored the fourteenth point.

The third score came in the second period when speedy George McDonnell took a punt on his 48 and sprinted 52 yards to pay dirt. Geernaert once again made the extra point.

In the second half, McDonnell ran twelve yards to score the fourth TD following a 65 yard march by the Yellow Jackets.

Albany's lone score came in the third quarter on a long pass and a 50 yard sprint from their twenty-nine. The conversion was good.

FOOTBALL COACH
Fred Moffett

COACHING STAFF
Mr. Erickson, Mr. Jennings, Mr. Moffett, Mr. Rice, Mr. Gross, Mr. Daoust

VARSITY

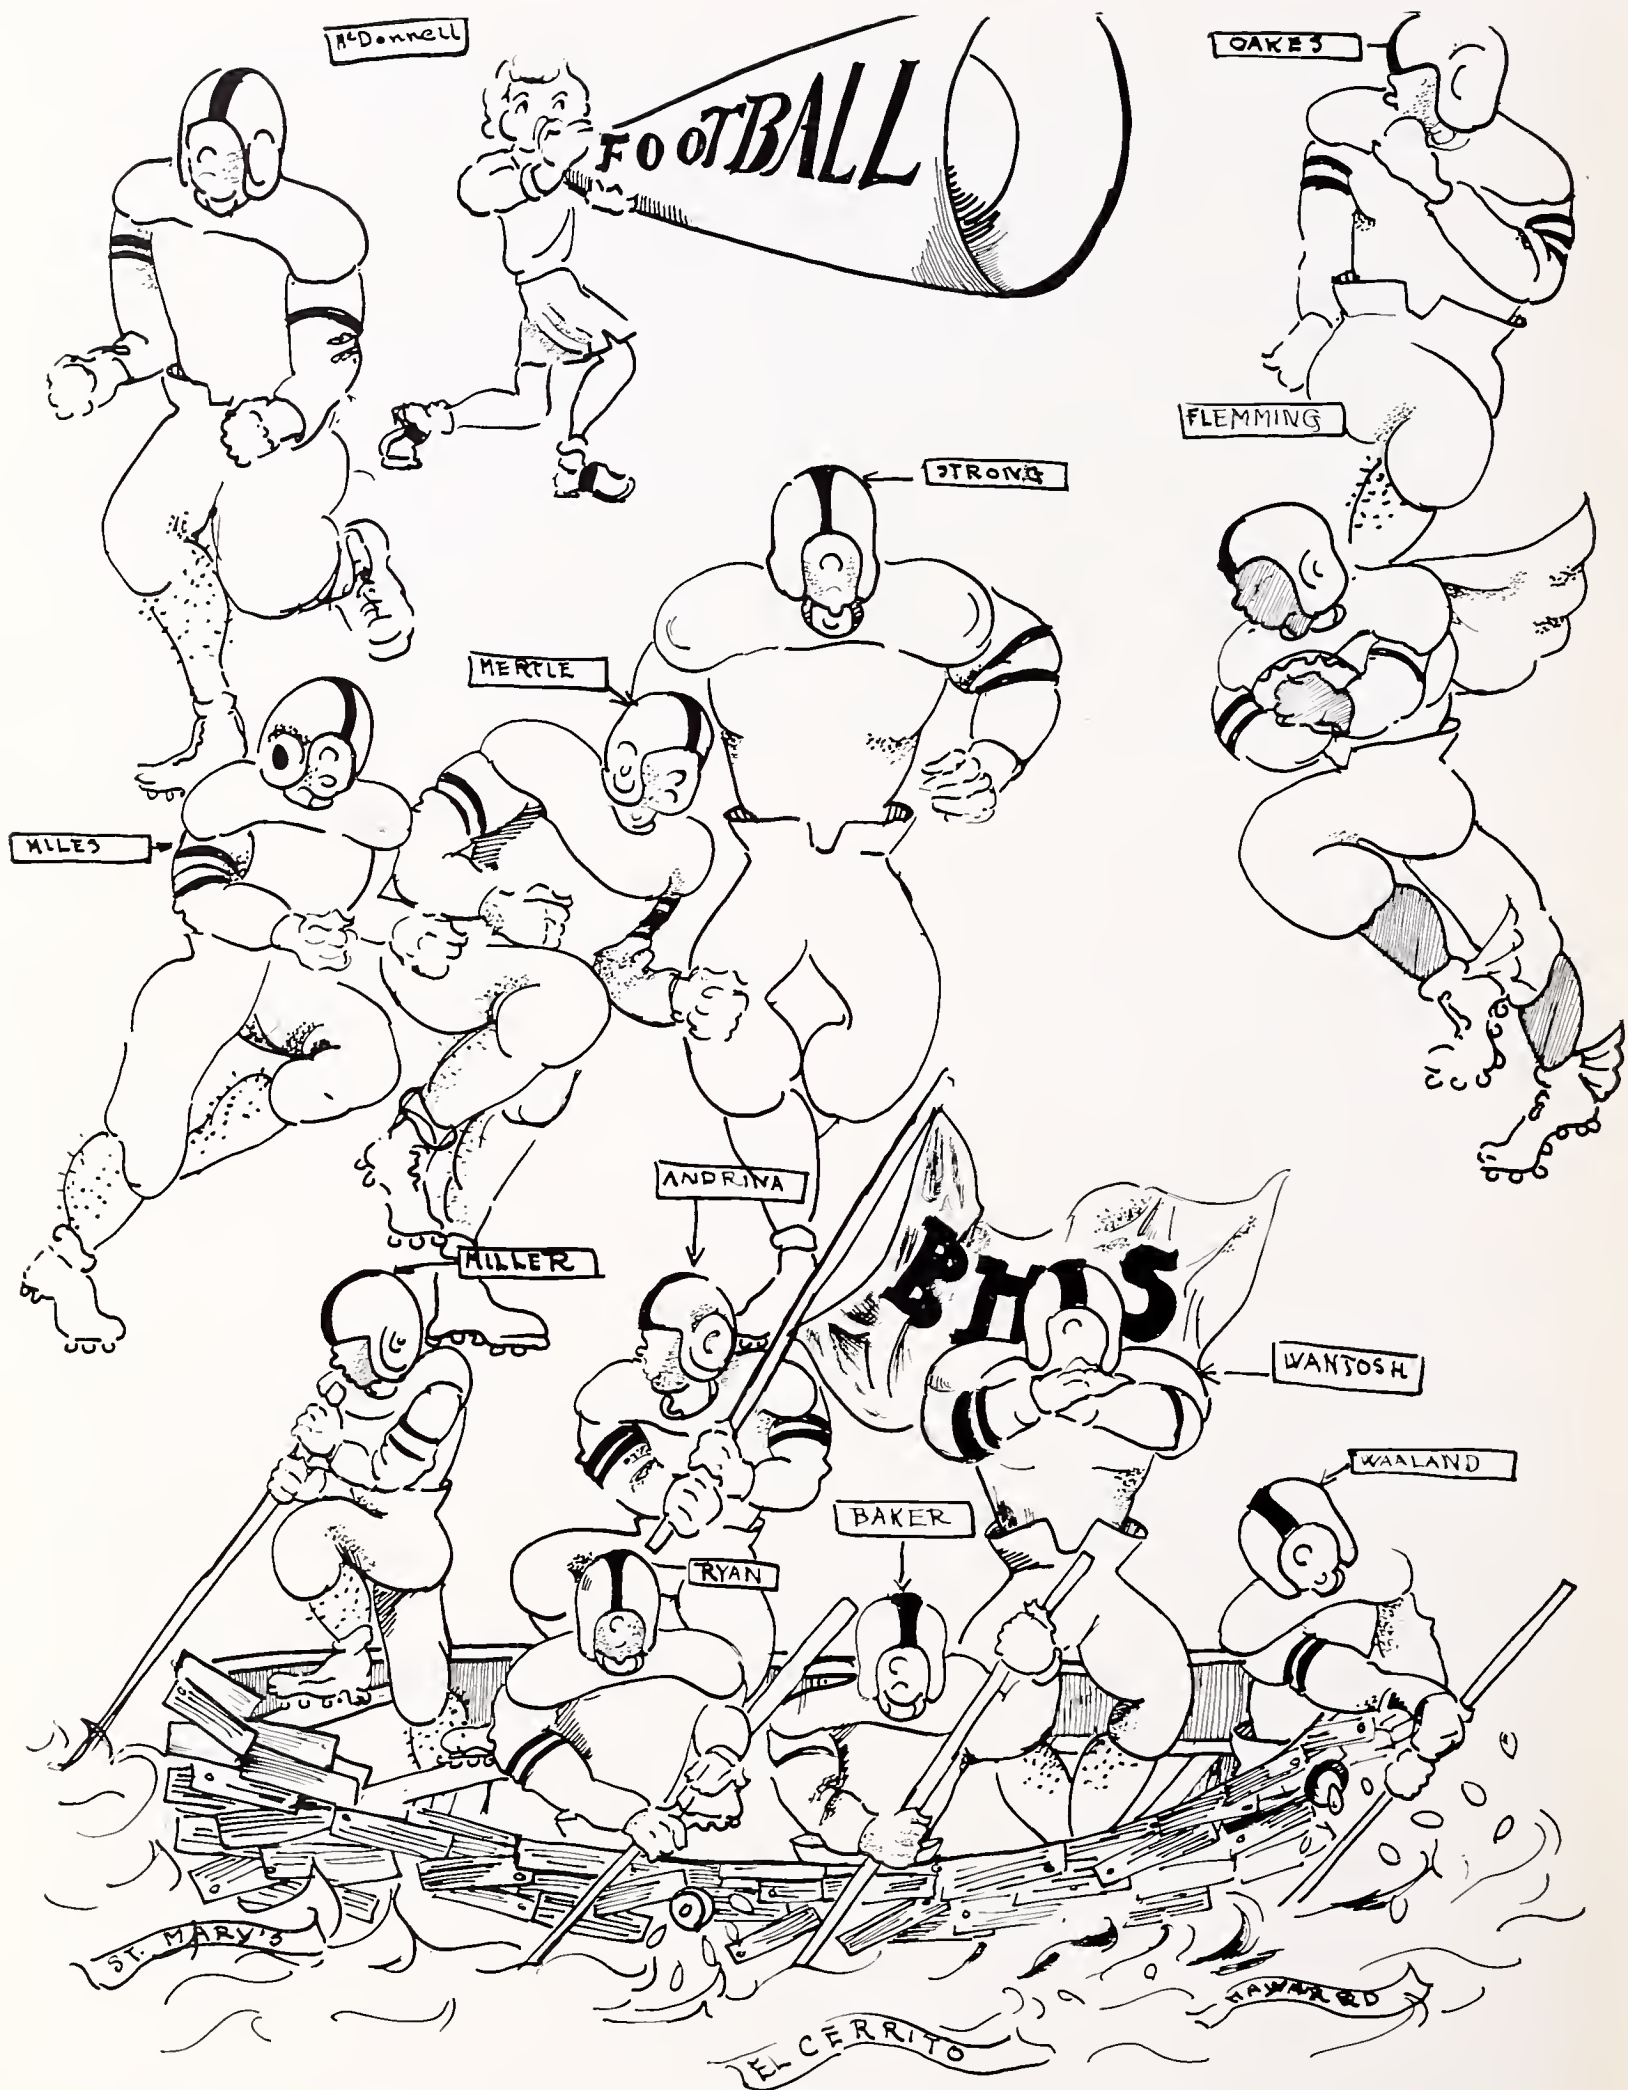

This year's varsity team, although unbeaten, fell short of winning the A.C.A.L. Championship by one tie score. Despite this, the team always put on a good performance against their opponents. Because of their hard hitting line and brilliant backfield work they are able to stand alone on their merits, without having to live on the reputation of the past three outstanding Berkeley teams.

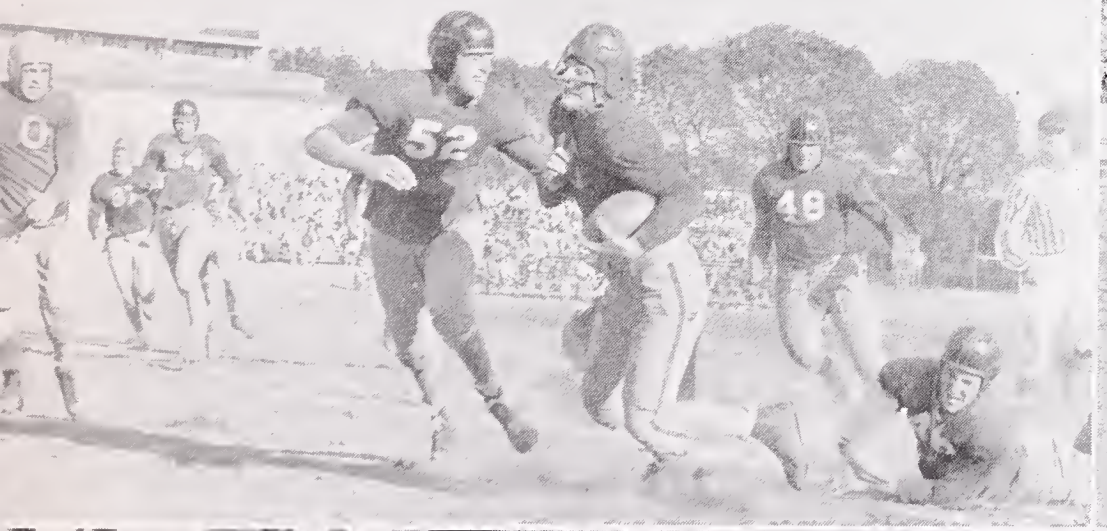

Credit goes not only to the individual players, but to their coach and his staff, who took a squad with three returning lettermen and whipped them into a powerful and unbeatable team.

Nice going, Coach Moffet and you Fall 1946 gridmen.

JAY-VEES

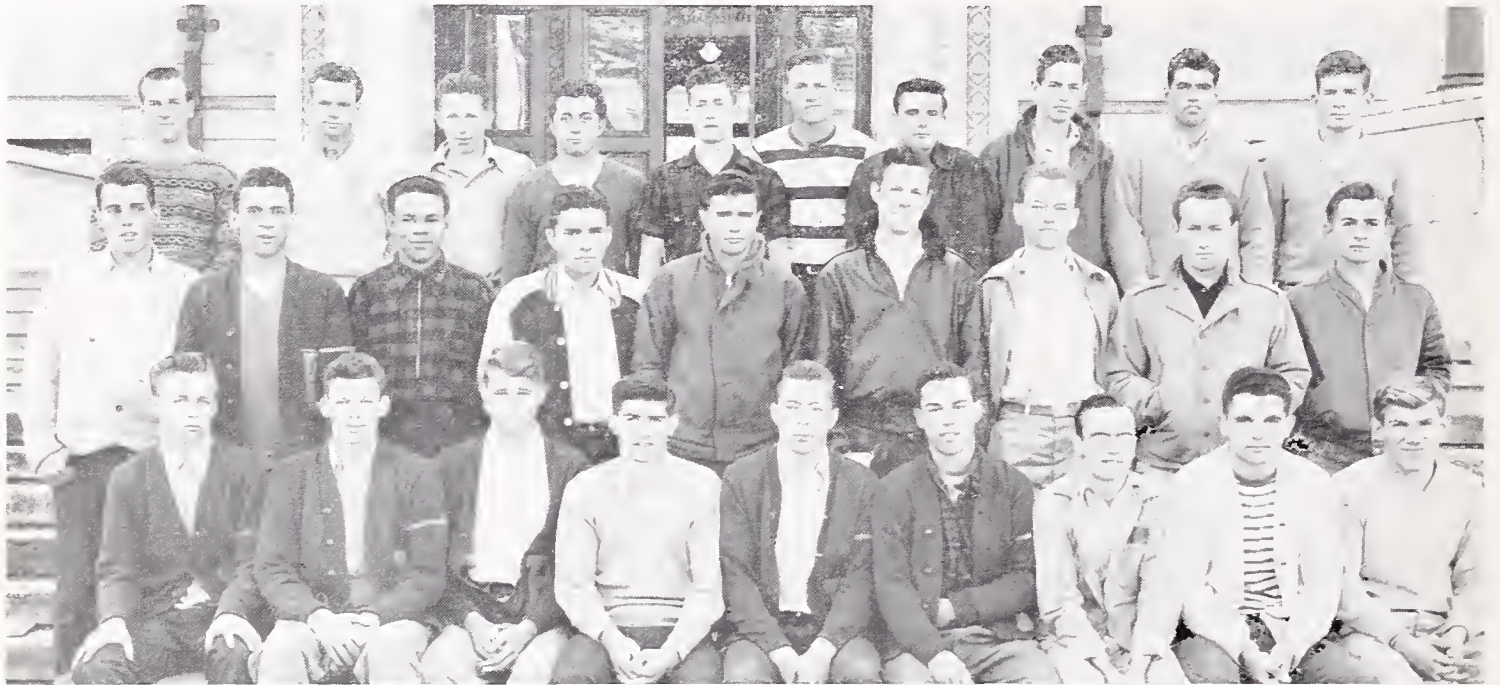

BLOCK "B"

The Block B football dance, following the scoreless Berkeley-Piedmont game on Friday, Oct. 18, highlighted the lettermen's activities this term. At the dance the athletes crowned Mary Macaulay "Football Queen for 1946."

Another project of the Block B was helping the Rally Committee at the Berkeley football games by watching the gates and fences.

The Block B, sponsored by Dean of Boys "Whitey" Nealson is led by Gus Plateas, president. Other officers on the executive board are Ed Leneve, vice president; Joe Wood, secretary; and Bruno Andrina, treasurer.

CIRCLE "B"

The Berkeley B Society is presided over by Stan Cook, president. Assisting him are Richard Schneider, vice president; Dick Becker, secretary; and George Karagianis, treasurer. Mr. Jay T. Aungst is the faculty advisor.

This term a new ruling was passed whereby a member of the Block B could no longer belong to the B Society.

The Circle B boys held a dinner and initiation on Wednesday, Nov. 13, in the Berkeley High cafeteria. The boys who won their circle B's last spring were taken into the society.

One of the organization's activities was selling cokes at the football games.

GIRLS' SWIM CLUB

The Girls' Swim Club meets every Tuesday and Thursday. During the meeting the girls spend part of their time in recreational swimming, the remaining time is spent practicing dives and strokes. The club has approximately one hundred members this term. At the opening of the semester the girls had a party; on November 7th the Piedmont girls paid us a visit. We had races, relays, and refreshments.

JEAN ELDER, President
MRS. ULRY, Sponsor

SINKERS CLUB

Membership in the Sinkers Club as its name implies is strictly limited to those girls who are unable to swim a distance of twenty-five feet. This group was organized in 1941 its primary purpose being to afford privacy, protection, and painless progressive instruction to panicky but persistent paddlers. Surprisingly enough the end of each semester finds most of its membership "ineligible" for the coming term.
